OF AGRICULTURE

1965

Compiled by

UNITED STATES
DEPARTMENT OF AGRICULTURE
CONSUMER AND MARKETING
SERVICE

Washington,
D.C.

This Directory of State Departments of Agriculture supersedes the Directory issued in April 1964. It gives State marketing service agencies and the names of key officials of the State departments of agriculture. Listings include the departments of agriculture in Puerto Rico and the Virgin Islands of the United States, as well as those of the States, and are based on information supplied by the agencies. Listings, insofar as possible, are uniform for each State.

This publication was prepared at the request of various agricultural organizations who expressed a need for this type of information.

Corrections of, or inquiries relating to, these listings should be directed to the Administrative Services Division, Consumer and Marketing Service, United States Department of Agriculture, Washington, D. C. 20250.
